AMSE, in collaboration with REDCID and the Royal Academy of Economic and Financial Sciences (RACEF), organizes the International Congress, which will be held online on November 19th and 20th, 2020.

The areas of study of this Congress will be:

- Population aging
- Demographic changes
- Sustainability of the welfare economy.
- Climate change.
- Economic and social effects of the pandemic.
- Migration and geographic redistribution of the population

In this Congress, there will be space for a limited number of communications, fifteen minutes each, which will be selected by the Scientific Committee.

Registration and participation proposals submissions deadline are open until October 20th, 2020, and the acceptance will be notified on October 30th, 2020.

The best presentations from this Congress will be published in an academic publishing house of international relevance, after a process of revision and adaptation of the originals.

The registration fee is €50.- per attendee, by bank transfer to ES4201826035430201602137.
