Temperance is a piece inspired by the art of tarot cards. Cristina was fascinated by the idea that, when reading a person's soul, even reversed cards could be interpreted, thus giving them a new meaning. Temperance is a positive idea, but when the card appears reversed... well, chaos ensues. Predominantly red, the piece can be read in a dangerous, passionate, and intense (maybe even uncomfortable) context.

Cristina Segura Navas (Santa Coloma de Gramenet, Spain, 1997) is a translator, writer, and illustrator. An artist, to sum it up. When she needs to relieve the stress that bottles up her brain, she doodles, and she loves to bring characters to life with both words and brushstrokes. How to put it in a humbly? Ah, she's a creative soul!
