

REVISTA DE HISTORIA INDUSTRIAL-INDUSTRIAL HISTORY REVIEW (RHI-IHR)

HISTORY AND AIMS

- Founded in 1992 by Jordi Nadal (1929-2020), arguably the most important Spanish economic historian of the 20th century.
- **Promotes historical research** into the processes of industrialization and the social, economic, institutional, environmental, and demographic transformations associated with them.
- Global in scope, welcoming full-length articles on all world regions, contributing to established debates, and highlighting new research directions.

EDITORIAL TEAM

- Ramon Ramon-Muñoz, Universitat de Barcelona, editor-in-chief. \checkmark
- ✓ Gabriele Cappelli, Università di Siena, editor-in-chief.
- Veronica Binda, Università Bocconi, Milano, associate editor.
- ✓ **Carles Brasó Broggi**, Universitat Oberta de Catalunya , associate editor.
- ✓ Juliana Jaramillo Echeverri, Banco de la República-Central Bank of Colombia, associate editor.
- **Dácil Tania Juif**, Universidad Carlos III de Madrid, associate editor.
- Supports methodological diversity, with submissions that range from historical macroeconomic analysis to business history, incorporating both qualitative and quantitative approaches, including cliometrics.
- **Fully open access**, publishing original papers in English and Spanish in three regular issues each year, as well as special issues, and provides a book review section.
- Early View service allows completed articles to be published online ahead of the print issue, ensuring timely access to the latest research.
- ✓ Alexandra López-Cermeño, Lund University, associate editor.
- ✓ Agustina Rayes, Universidad Nacional de San Martín, Buenos Aires/CONICET, associate editor.
- ✓ Javier San Julián, Universitat de Barcelona, associate editor.
- Esther Sánchez Sánchez, Universidad de Salamanca, associate editor.

INDEXING 5

A pioneering journal indexed in the most prestigious international databases, such as:

Clarivate Analytics Scopus Journal Citation Reports JCR owered by scimagoir.com

- JCR (Clarivate) 2023 Edition SSCI: Q1 in History.
