

Working Safely at the Nanoscale

Treballant amb Seguretat a la Nanoescala

29th January 2025

Aula Magna Enric Casassas
(Faculties of Physics and Chemistry UB)

Institut de Nanociència
i Nanotecnologia
UNIVERSITAT DE BARCELONA

“Working at Nanoscale: Regulatory Affairs and Good Lab Practices”. José A. Pérez, Health & Safety Area, Institut Català de Nanociència i Nanotecnologia (ICN2).

Torn obert de preguntes

10:45h-11:30h

10:00h-10:45h

11:30h-12:00h

“SabyNA: A Guidance Platform for Safe & Sustainable by Design (SSbD) Developments at the Nanoscale”. Socorro Vázquez-Campos. Human & Environmental Health & Safety Group Leader at LEITAT.
