

UB GENERAL HEALTH AND SAFETY RULES

Always comply with the instructions you receive from the teacher and/or tutor. Ask any questions you may have.

Do not circulate on UB premises if you are not authorised to do so.

Do not tamper with UB equipment or facilities unless you have received authorisation to do so.

Keep equipment and facilities clean and tidy.

You must know the nearest emergency exits, evacuation routes, extinguishing media and safety devices (fire extinguishers, eye wash, etc.) in case it is necessary to use them in case of emergency.

Respect the safety signs.

Do not generate sources of fire/heat near flammable products.

Food and drink may not be stored in places where chemicals, samples, etc. are stored or used.

You should eat and drink only in places intended for that purpose.

Wash your hands regularly.

Do not put your own health and safety or that of your colleagues at risk.

The UB is smoke-free and smoking is prohibited in the entire building.
