FINAL CONSIDERATIONS

- Within the framework of the actions foreseen in the Protocol of exceptional action in the process of accreditation of official qualifications due to the effects produced by the SARS-COV-2 Coronavirus, the following exceptional organizational measures are presented:
- As an alternative mechanism to the open hearing, AQU Catalunya makes available the corporate qualitat@aqu.cat email so that, if any person who has not been invited to the hearings, and so wishes, has the possibility to communicate with the CAE. The university is requested to make public the programme of visits to all interest groups, informing of the email available for this purpose.
