

Acta reunión de coordinación Master in Quantum Science and Technology@Barcelona

Date: 10/1/2024

Participants: John Calsamiglia, Pol Forn, Artur Garcia, Bruno Julia Diaz, Robert Sewell, Stephan Roche, Pietro Massignan

We decide:

- Change the current subject on Internship/Directed research projects from 6ECTs to 3ECTs
- Introduce a new subject, in the Materia Internship/Directed research project, on “Estancias de investigación” with 3ECTS. Thus, keeping the Materia with the same number of credits as before, 6ECTs.
- Introduce a new subject “Laboratorio avanzado de física cuántica”, 3ECTs in Quantum Hardware subject.

Signed, in Barcelona, on the 11th of Jan 2024,

Bruno Julia Diaz
UB Coordinator
