

UB Academic offer - Scholarship Programme for Young Researchers: Latin America

Faculty Department	Contact person	Contact email address	Proposed period/duration	Brief description of the proposed research area	Website
Biology Cell Biology, Physiology and Immunology	Prof. Norma Alva Bocanegra	nvalva@ub.edu	15/01/2026 - 15/04/2026	Study of reactive oxygen and nitrogen species in biological samples subjected to ischemia/hypoxia injury-trials of different protective therapies	http://www.ub.edu/fisiod3/recfisiologia
Biology Evolutionary Biology, Ecology and Environmental Sciences	Prof. Guillermo Peguero Gutiérrez	guille.peguero@ub.edu	01/03/2025 -30/04/2025	Forest Ecology, Tropical Forests	
Biology Evolutionary Biology, Ecology and Environmental Sciences	Prof. M. Teresa Sauras Yera	msauras@ub.edu	3 months	Soil plant relations and sustainable agriculture	https://webgrec.ub.edu/webpages/000011/ang/msauras.ub.edu.html
Biology Evolutionary Biology, Ecology and Environmental Sciences	Prof. Núria Bonada	bonada@ub.edu	15/09/2025 - 15/12/2025	Aquatic ecology, biodiversity	https://www.ub.edu/fem/index.php/en/
Biology Evolutionary Biology, Ecology and Environmental Sciences	Prof. Juan Moles Sánchez	juan.moles@ub.edu	3 months	Biodiversity; Evolution; Marine Zoology; Phylogenomics	https://sluglab.wixsite.com/slug-team
Biology Evolutionary Biology, Ecology and Environmental Sciences	Prof. Daniel von Schiller	d.vonschiller@ub.edu	2 months	Aquatic ecology, Rivers, Ponds, eDNA, Ecosystem functioning	https://canbas.weebly.com/
Education Language, Science and Mathematics Education	Prof. Genina Calafell	genina.calafell@ub.edu	15/05/2026 - 15/07/2026	Scientific education and education for sustainability	https://www.ub.edu/ema/
Medicine and Health Sciences Biomedical Sciences	Prof. Hugo Peluffo Zavala	hugo.peluffo@ub.edu	3 months	Neuroimmunology, microglia, metabolism, CD300f, Alzheimer	
Pharmacy and Food Sciences Biology, Healthcare and the Environment	Prof. Joan Romanyà Socoró	jromanya@ub.edu	Between 15/09/2025 and 15/07/2026, at the applicant's best convenience	Agrobiology of agricultural systems, soil microbe services, nutrient cycles, soil quality, food quality	www.linkedin.com/in/agrobiology-and-soil-management-6a439633b
Philosophy Philosophy	Prof. Albert Solé Bellet	albert.sole@ub.edu	3 months	The research topics included in the Department's areas: Philosophy; Moral Philosophy; Aesthetics and Theory of the Arts; Logic and Philosophy of Science; History of Science	https://www.ub.edu/portal/web/dp-filosofia/
Physics Physics Condensed Matter	Prof. Giancarlo Franzese	gfranzese@ub.edu	Maximum 3 months	Bio-Nano Interactions, Hydration, Statistical Physics of Soft Matter and Complex Liquids	https://spcmub.wordpress.com/
